

Friday 11th September

Dear Parents and Carers,
Attendance Matters:

Acorns – 92%	Elms – 100%	Oaks – 92%	
Rowans – 100%	Hawthorns – 92%	Willows – 90%	Hollies – 94% Birches – 100%

Thank you for your ongoing support with attendance. Every day in school counts, and regular attendance helps children make good progress, build friendships, and fully enjoy all aspects of school life. Unless your child is unwell, please ensure they attend school every day and arrive on time.

After School Clubs: Our After School Clubs will be starting next week and your child should have received a letter outlining the clubs available and how to book a place. These clubs provide a great opportunity for children to develop new skills, discover new interests, build confidence, and spend time with their friends in a fun and supportive environment. We encourage all children to take part. If you have not received a letter, please contact the school office.

Flu Immunisation: A reminder that the annual flu immunisation programme will take place in school on **Wednesday 16th September**. The School Immunisation Team should have sent parents and carers a letter and/or text message containing information about the vaccine and instructions on how to provide consent for your child as this is not happening through the school office this year. Please ensure consent is completed before the vaccination date.

Meet the Team: Over the coming weeks, your child's teacher will be inviting parents and carers into school for a 'Meet the Team' session. This will be a wonderful opportunity to visit your child's classroom, learn more about their learning journey, and see how they have settled into their new environment. You will also have the chance to take part in a fun activity with your child and spend time celebrating their achievements. We look forward to welcoming you into school.

INSET Day: Just a reminder that school will be closed to pupils on **Friday 6th November** due to an INSET (Staff Training) Day. This day provides valuable training and development opportunities for staff to support the ongoing improvement of teaching, learning, and outcomes for all children. We look forward to welcoming pupils back to school on the next school day. Thank you for your support.

Facebook/ Instagram: Please continue to follow our **Facebook** and **Instagram** pages to see what has been happening in school each week. We share updates, photos, and examples of the fantastic learning and experiences taking place across the school. We look forward to sharing another exciting year of learning with you all!

Have a lovely weekend!
